RE: Submittal of Removal Actions Final Report
South Green Avenue Site
Detroit, Michigan

Dear Mr. Powers:

Michigan Consolidated Gas Company (MichCon) is pleased to submit the Removal Action Final Report (Final Report) to the United States Environmental Protection Agency (EPA) for review. The Final Report summarizes the actions taken by MichCon to comply with the executed Administrative Order of Consent (AOC) date stamped July 31, 1998. An additional copy of this report has also been submitted to Mr. Ed Novak of the Michigan Department of Environmental Quality.

If you have any questions, comments, or need additional information related to this report please feel free to contact me at (313) 256-6068 or email at darrell_grassmyer@michcon.com.

Sincerely,
Michigan Consolidated Gas Company

Darrell P. Grassmyer
Senior Environmental Engineer

RE: Notification of Change in Project Manager for IT Group
South Green Avenue Site

Dear Mr. Powers:

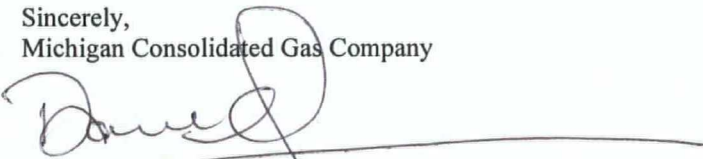

Michigan Consolidated Gas Company (MichCon) is notifying the United States Environmental Protection Agency (EPA) that Ms. Sandra M. Pelowski-Bresson will be the new Project Manager for the IT Corporation for the above referenced site. Any correspondence or questions the EPA may have regarding site activities should be addressed to Sandra M. Pelowski-Bresson and myself.

Based upon Mr. Styble's involvement in this project, MichCon has elected to retain Mr. Styble to provide additional project management activities for the project on an as needed basis. Mr. Dan Stryble is currently employed as a project manager for the environmental firm Secor International Incorporated located in Farmington Hills, Michigan.

MichCon does not expect any delays or problems stemming from this change. The Final Report submittal date for the above referenced site is still expected to be on or before April 15, 2002.

If you have any questions or comments regarding this letter please feel free to contact me at (313) 256-6068 or email at darrell_grassmyer@michcon.com

Sincerely,
Michigan Consolidated Gas Company

RE: Notification of Completion of Removal Activities and Final Report Due Date
South Green Avenue Site
(Formerly known as the MichCon Substation H Site)
Detroit, Michigan

Dear Mr. Powers:

Michigan Consolidated Gas Company (MichCon) is informing the United States Environmental Protection Agency (EPA) that removal actions required under the executed Administrative Order of Consent (AOC) were completed on February 14, 2002. The data collected during the corrective action activities will be presented in a final report. As required in the AOC, the final report must be submitted to the EPA within 60 calendar days after completion of all removal actions required under the AOC. Based upon this information, the final report will be presented to the EPA on or before April 15, 2002.

If you have any questions or comments regarding this letter please feel free to contact me at (313) 256-6068 or email at darrell_grassmyer@michcon.com.

Sincerely,
Michigan Consolidated Gas Company
